Please accept these comments as restated below from
proponents original petition.

Petitioner respectfully submits that the public interest would be served by allocating Channel 250A to Crowell, Texas as that community's first competing FM service¹. Crowell is an incorporated community with a population of 1,141 people.² Crowell has its own mayor, Scott Bradley, its own school district, the Crowell Independent School District, fire department, City Hall, post office and a number of local churches. Crowell is a community that is certainly deserving of a competing

FM Service. The proposed channel 250A will provide additional diversity and an outlet for local self-expression to Crowell residents and therefore is in the public interest.

Should this petition be granted and Channel 250A is allotted to Crowell, Texas, Petitioner will apply for Channel 250A at Crowell and after it is authorized, will promptly construct the new facility.

The factual information provided in these Petitioner's Comments is correct and true to the best of my knowledge.

Respectfully submitted,
